

# Reading Comprehension Solutions Inc.

Distributor of  
The Reading Scholar

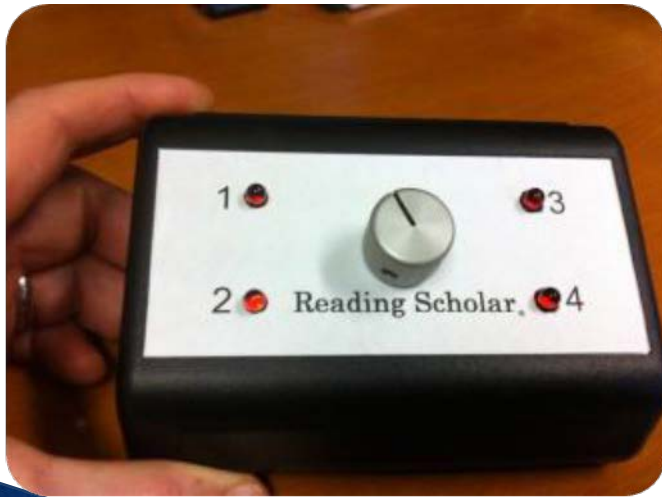

# What is the Reading Scholar ?

- ▶ The Reading Scholar is a revolutionary device designed to improve reading comprehension in children and adolescents. Pilot studies conducted on hundreds of elementary, middle and high school students in North Carolina, Florida and Canada have shown empirical data of significant improvement in reading comprehension.
- 

# What is the Reading Scholar ?

- ▶ This device consists of a small routing box and 1-4 headphones designed to alter the reading patterns of those who exhibit reading difficulties.

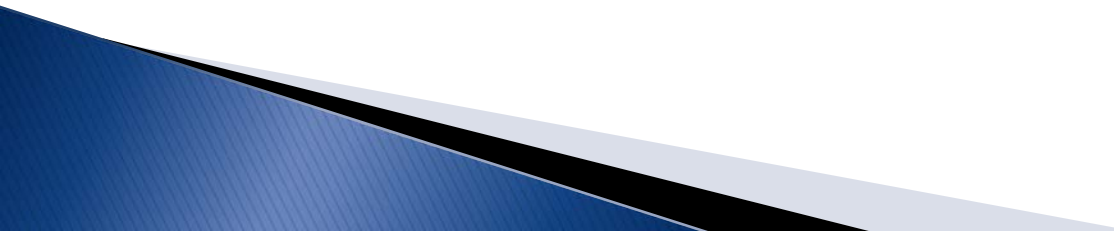

Multi user system  
allows four  
simultaneous  
users

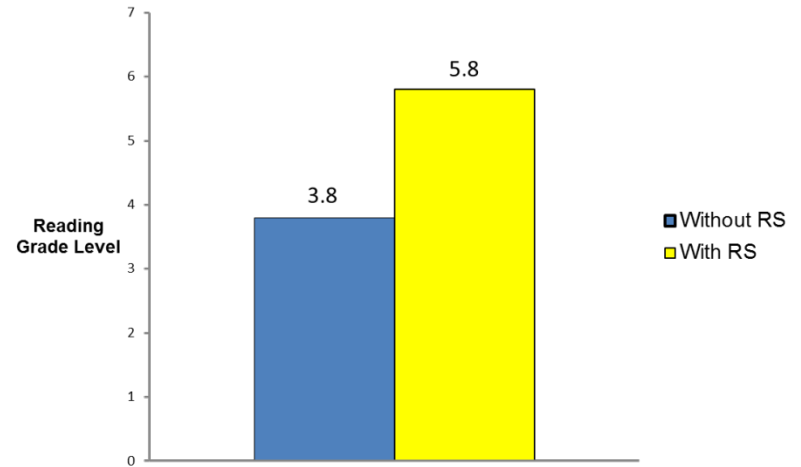

Headset  
with microphone

# How does the Reading Scholar work?

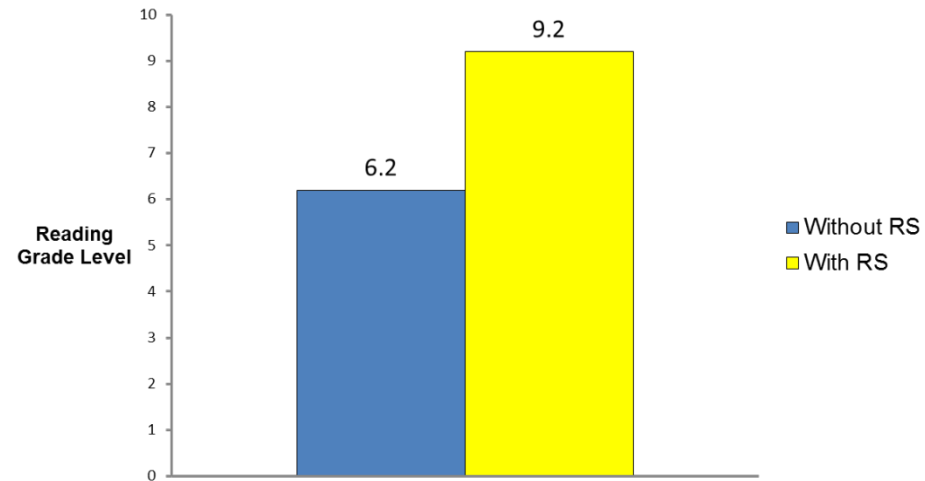

- ▶ The Reading Scholar alters the brains ability to access phonological processing activity to increase reading comprehension.
  - ▶ Phonological processing is the internal manipulation of the sound system to formulate words. This is a necessary skill to become a successful reading individual.
-

# Error Comparison

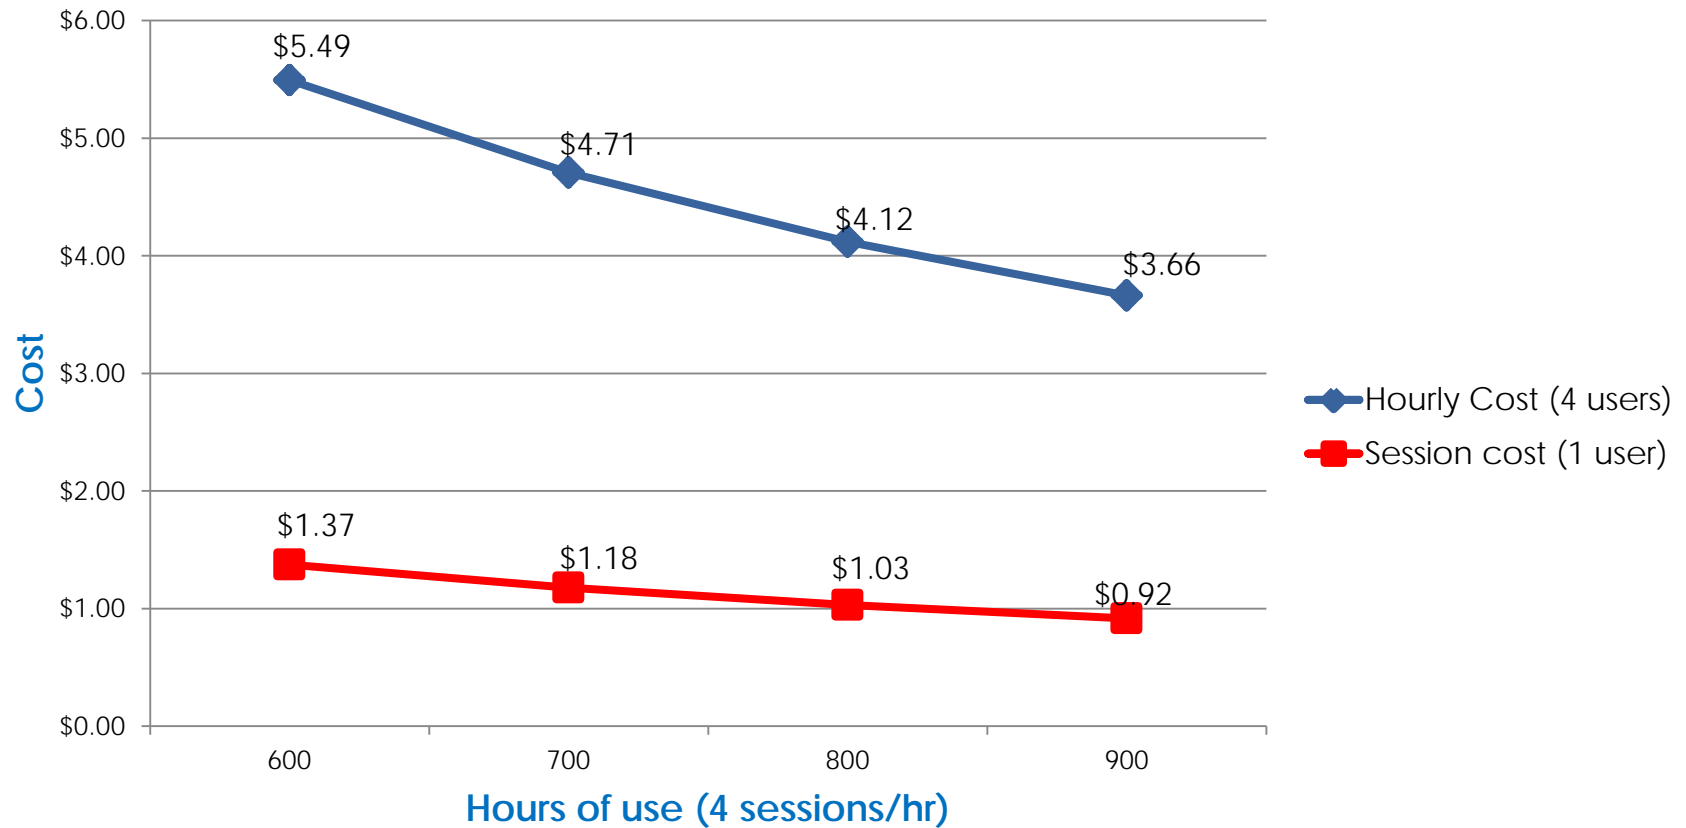

# Testimonials

- ▶ “J..... has been reading very far below grade level on reading comprehension with a borderline IQ. After using the device, he came up to his grade level in reading comprehension and was more fluent. He also became more confident around his peers when he reads in group.”

- Lassiter Wooten, EC Teacher

# What does the Reading Scholar cost?

Reading Scholar® Cost summary

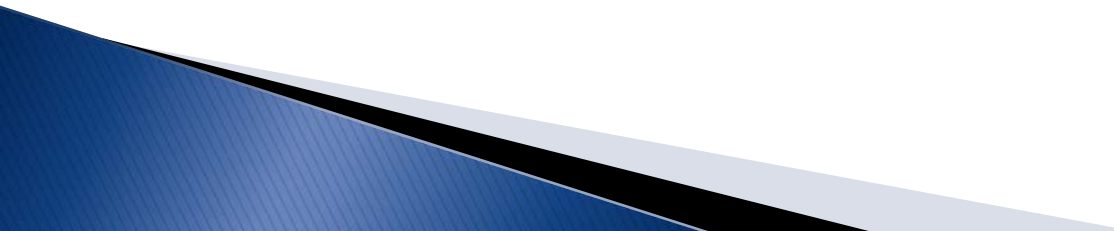

# Advantages

- ▶ The Reading Scholar is designed to improve the reading skills of people from all backgrounds, ages and reading levels IMMEDIATELY.
- ▶ The Reading Scholar can be used with any reading curriculum.
- ▶ The Reading Scholar does not require users to alter their natural reading tendencies: it can be easily incorporated into their daily lives.
- ▶ Increase in comprehension can be measured in end of grade testing.
- ▶ Boosts students confidence in reading out loud in class.

# Advantages

- ▶ The Reading Scholar decreases reading error rates.
- ▶ The Reading Scholar allows school systems to accelerate the reading comprehension of students with reading comprehension difficulties.

# Warranty of Product

- ▶ The device is fully covered for the entire 12 month period.
  - ▶ If a problem should arise, either call the Help Desk or return the product for a new one.
  - ▶ After you have renewed the agreement , return the old device and RCS will send you a new device, new headphones and a new USB cord for the next 12 months.
